

# The **PIRATE CASTLE**

Oval Road, NW1 7EA

**PIRATE  
SUMMER  
FUN 2013**

**10:30 - 3:30 Weekdays**

**29 July to  
30 August**

## Our Approach

All children deserve safe places to play, friends to play with, interesting things to do and should receive kind and careful attention from adults at all times.

The Pirate Castle aims to provide inclusive, affordable, flexible, high quality activities both on the water and on land, play and childcare for children and it is our policy to admit any child who meets the simple conditions of admission.

To do this we will aim to::

maintain a trusted and happy environment

keep prices low and uncomplicated

provide attractive, inclusive, age appropriate activities

which meet the different needs and interests of children of all ages and backgrounds

ensure that children and families know what is going on and when

provide a regular, reliable service

offer reasonable flexibility

## HOW TO BOOK

**Its simple** - just turn up on the day.  
Doors open at 10:15.

Enclosed with this leaflet is the programme for the whole five weeks of the Summer Scheme.

You can tick the boxes to indicate which sessions your child would like to attend.

Payment is needed before they can start each day's session, and you can book ahead with advance payment from Monday 29th July onwards.

Each day is £10 per child, (or £5 concessions).

On the first day your child comes to us you will be asked to complete a Parental Consent Form, which has vital information such as emergency contact details, dietary requirements and allergies.

*We cannot accept children on the scheme without a signed consent*

## LUNCH

Please make sure your child has a packed lunch. We would encourage you to avoid sending them with sweets or chocolate please.

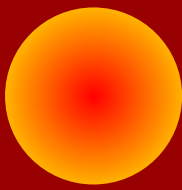

## CHANGE OF CLOTHES

It is quite likely that your child might want to 'have a go' at kayaking or canoeing. As these are activities on the water your child will get wet.

Please make sure they come with a set of dry clothes and footwear (not flip-flops) to change into if there is any possibility that they will want to go on the water.

## THE SUN

It is summer and there is a good chance that it will be hot and sunny at least some of the time!

Please make sure you child has a hat and suncream, especially if they are going out on the water.

We provide drinking water, but it is very important that your child has a bottle for water too.
