What's On

In this section you can find information on our Charity's core youth and adult projects.

We're passionate about opening up the waterway for all to enjoy and do all we can to ensure that our raft of community activities are affordable, accessible and inclusive. We strive to keep prices low by cross-subsidising fees and project costs through money generated via fundraising and hiring our venue, canal boats and paddlesport services.

[Pirate Club](#) [1]

Youth Paddlesport (ages 8+)

Tuesdays & Thursdays after school & Saturdays, weekly during term-time

[Paddle Camden \(Adults\)](#) [2]
