

Canalway Cavalcade

The Pirate Castle attends the Canalway Cavalcade in Little Venice, Westminster, every year on the early May Bank Holiday weekend. Both of our canal boats are open and on show and we also provide free kayaking taster sessions on the Saturday and Sunday. You can usually find us about half way down the Paddington Basin, close to the entrance to Paddington Station. Why not drop by and say hello? We look forward to seeing you there!

Below are some photos from previous years - we always have a great time, whatever the weather!
